

Space 100

Two-Way Radios with integrated stop-watch

Space100 belongs to a new generation of Two-Way Radios, working in the professional PMR band, formerly reserved only for professional radios. The output power of 500 mW (50 x higher than LPD radios) enables a range up to 5 km.

Babyphone and Stop-Watch included

Space 100 has an integrated Intercom (VOX) which enables an automatic speech transmission. The integrated stop-watch makes it an ideal product for all sport events and activities.

Features:

- 8 Channels, 500 mW output power
- Up to 5 km range
- Automatic speech transmission (VOX)
- Call function
- Integrated stop-watch
- Dual-Watch
- Scan function
- Power-save mode
- Automatic squelch
- Monitor function
- Roger beep
- External jack for earset/headset or loudspeaker microphone
- Easy to use with 4 x AAA Alkaline batteries or rechargeable batteries
- Charging jack for wall charger
- Measurements 60 x 31 x 148 mm incl. antenna
